DEPARTMENT J18

◆ ROUND ROBIN SHOWMANSHIP ◆

LARGE ANIMAL ROUND ROBIN: FFA and JR and SR 4-H contestants will be required to show each specie of Beef, Dairy Cattle, Dairy Goats, Sheep and Swine.

SMALL ANIMAL ROUND ROBIN: FFA and JR and SR 4-H contestants will be required to show each specie of Cavies, Dogs, Poultry, Rabbits and Pygmy Goats.

MASTER ROUND ROBIN: Exhibitors that qualify for FFA Large and Small Animal Round Robin, 4-H Senior Large and Small Animal Round Robin and 4-H Junior Large and Small Animal Round Robin have the option to participate in ***Master Round Robin***.

The Competition will determine the overall Master Showman in the FFA Section, 4-H Senior Section and 4-H Junior Section.

For example, the exhibitors eligible to compete in FFA Large Animal Round Robin may compete in the FFA Small Animal Round Robin competition and vice versa – **for points only** - they cannot win the FFA Round Robin Competitions that they did not qualify for. Once the points are calculated, the Master Showman winner will be announced at the Sunday Awards Ceremony.

Exhibitors interested in competing for the title of 2019 Master Showman **MUST SIGN UP** in the livestock office by Noon on Saturday, June 22nd with their intent to compete. They will be expected to show up at both the Small Animal and Large Animal Round Robin competitions for their section at the time posted in the Participants Guide and Awards Book.

ROUND ROBIN RULES:

1. Open to 4-H and FFA members placing 1st and 2nd in showmanship classes for 12-13 years old (JR 4-H Round Robin) and 14 years and older (SR 4-H Round Robin). **No bumping up:** Exhibitors younger than 12 years of age as of December 31, 2018 may not compete in Round Robin.
2. Exhibitors may only show the same animal that they won their showmanship class with. Any exception must be cleared through the Livestock Office.
3. Should an exhibitor qualify in more than one Section (i.e. Exhibitor placing 1st in Beef Showmanship and 2nd in Sheep Showmanship) no other exhibitor will be considered to replace him/her to participate in the Round Robin Contest.
4. Instead of showing in pairs, **all contestants will show the same specie simultaneously.** For example, all FFA exhibitors will show beef at the same time, then rotate to another specie.
5. Instead of all species in the same ring, contestants will rotate to a different ring after showing two species.
6. Exhibitors will be scored individually by each judge on a scale of 1 through 10 points. The score is based on how well they show the assigned animal and answer questions posed by the judges.
7. A maximum of 20 minutes will be allotted per specie and animals will be assigned randomly.
8. **Exhibitor MUST fill out an application in the Livestock Office by noon on SATURDAY if they plan to participate.** An accurate count of participants is needed to ensure that enough animals are provided.
9. All Small Animal Round Robin contestants will report to the Swine Ring at 4:45 on Friday, June 21 to receive their show numbers and further instructions. All Large Animal Round Robin contestants will report to the Cattle Ring at 5:45 pm on Saturday, June 22 to receive their show numbers and further instructions.

10. In the event of a tie score between two or more exhibitors, the tie will be broken in the following order:
 - a. The exhibitors with the highest score on the specie that qualified them for Round Robin. If the exhibitor qualified with more than one animal, it will be the exhibitor's choice as to which score to use.
 - b. The highest and lowest scores will be dropped followed by re-tabulation of scores.
11. An exhibitor who is a member of both 4-H and FFA may enter either 4-H or FFA Round Robin, but not **BOTH**.
12. After the Awards Program the scores will be posted at the Livestock Office.
