You may not have a cow at home, but do you have something cow related like cow print socks or dairy products in the fridge? Maybe you have a blue ribbon from entering an exhibit or livestock in the Fair, but if not, can you find another blue ribbon - maybe for wrapping gifts or putting in your hair?

Work cooperatively with your family to find them all or go head to head! Be the most creative with your finds!! You can just use the checklist or for even more fun, make it a photo scavenger hunt!
