

How to Enter our Virtual Still Exhibit Show

Step 1

Take a look at the guidebook! It's available online here or you can pick one up from the fair office or your local feed store. Decide what you want to enter and keep track of those department, section, and class numbers.

Step 2

Go to our online entry system, <https://www.BlueRibbonFair.com/BRFairProd/BlueRibbonStart.aspx?ID=1627>. Make a profile for each exhibitor and add your selected categories to the cart. Checkout and pay for your entries. Remember, entries close May 26th!

Step 3

Check out what you'll need to submit for your entry. There is a list on the exhibits page of the website, [here](#). The deadline for submitting your entries online will coincide with our original drop-off dates, but you can always submit them earlier. Entries that need to be photographed should be photographed from the front, rear, side, and any details that show the quality of work. All word documents should be saved as pdf's. Please name your files with the description you listed on your entry form.

Step 4

Submit your entries. We'll send a link to a Google Drive folder on Wednesday, 5/27, with Google Forms for each department. Select the correct form and upload your files. A calendar will also be shared with deadlines for each entry type.

Step 5

Await results! Our judges will go through and evaluate all the entries and we will post results! We will notify you when all physical awards are available for pick-up.
