

UPCYCLE YOUR EXHIBITOR'S GUIDEBOOK

Entries are closed, so you are all done with that guidebook. Here are a few things you can do with it! Didn't get one? We have plenty left this year so come pick some up and dazzle us with your upcycling skills! Books available outside our office door from 8am to 3:00pm. Email us a photo of your project and we'll feature it on our social media.

Book Art

Have you seen what can be done folding book pages?

Give it a try!

Seed Pots

You can take the pages of the guidebook and use them to plant seeds. When the seeds sprout, these can go right into the ground!
